Part II

Employee 1: Our boss is terrible.

Employee 2: Really? Why's that?

Employee 1: She is so tough on us; cracking the whip all the time.

Employee 2: She has a whip?

Employee 1: No, not really. I mean she's always saying, 'Do this!' or 'Do that!'

Employee 2: She sounds very abrupt.

Employee 1: Her favorite expression is, "I'm the boss. You get paid to work, so work."

Employee 2: Well does she ever praise good work?

Employee 1: She very rarely praises us. In fact, she often bawls people out on the spot.

Employee 2: What! In front of the whole department?

Employee 1: Yes. We call her Terrible Tina.

Employee 2: I'm not surprised.
