We shall always love Burma,  
Land of our forefathers.

We love our land because this is our real inheritance.	We shall love, forevermore Burma (Myanmar) the land of our fathers of yore!
Until the world ends up shattering, long live Burma!	Giving our lives for our union we fight, This is our country, our land, ours by right.
We love our land because this is our real inheritance.	We, for her the tasks responsibly shoulder,
We will sacrifice our lives to protect our country, This is our nation, this is our land and it belongs to us.	As we'll stand in duty to this, our precious land.
Being our nation and our land, let us do good causes to our nation in unity! And this is our very duty to our invaluable land.
